Additional information (if necessary may also be reported on page 2)

National differences for Republic of Korea have been considered.

A sample of the component/subassemblies was tested and found to be in conformity with

IEC 62133-2:2017 + A1:2021

As shown in the Test Report Ref. No. which forms part of this Certificate

241231001SZN-001

This Certificate of Conformity, issued by the National Certification Body, certifies that the above have been found to be in conformity with all relevant requirements of IECEE Component Certification program. This Certificate doesn't cover the complete standard as some clauses are not applicable to the component/sub-assembly and in this case the compliance is limited to the clauses/requirements identified in Test Report(s).
